Today, Aldo Biale's vineyard is one of several historic sites from which Robert Biale Vineyards produces some of California's finest Zinfandels. Rarely found in stores, the small production Biale Zins are obtained mainly from the winery. In addition to Zinfandel, Biale produces several small production Syrahs and Petite Sirahs. ## **Robert Craig Winery**

625 Imperial Way  
Napa, CA 94559  
707.252.2250 - robertcraigwine.com

Bob Craig has been producing small lot cabernet sauvignons from mountain and hillside vineyards for over thirty years in the Napa Valley. Robert Craig wines are known for their suppleness, finesse, and tremendous longevity. Our winery and estate vineyard are located at nearly 2300 feet on the breathtaking summit of Howell Mountain. Due to the remote location of the winery, Bob and his wife Lynn have opened a tasting salon and bar along the banks of the Napa River in downtown Napa where the cabernet cognoscenti are welcomed each day. No tour buses, or loud mouths at the tasting bar (unless, of course, it's you), just fine cabernets in a beautiful setting served by knowledgeable people.
