

CUSTOM ETCHING

The perfect wedding gift! Add something extra to your bottle by custom etching personalized text or images. Getting married? Remember your special day by having the date of your wedding etched onto the bottle, along with your name and your significant other's name. Thinking about proposing? Have, "Will you marry me, (their name)" etched onto the bottle so they will always remember that very magical day.

WOODEN BOXES

A wooden box is the perfect accompaniment to your Terra Valentine bottle. We offer three different sizes depending on your needs: a 3 bottle box, 1.5 Liter box, and 3 Liter box. The 3 bottle box can fit up to three 750 mL bottles, and the other two boxes fit one of the appropriate sized bottles per box. A Terra Valentine wooden box is a beautiful and unique way to not only present your bottle, but also to put it on display in your home.
